From the M4 helping organisations get the best from their people

Exit at Junction 17 of the M4. Take the A350 to Chippenham. Follow the dual-carriageway through 2 sets of traffic lights and past the golf course on your right. At the roundabout (with Morrisons over to the right) go straight across and through a set of traffic lights on the brow of the hill. The signs say for 'Parsonage Way Industrial Estate'. Keep on this road down the hill and follow the road until you reach the next roundabout. St Paul's Church will be on your left and you will see Tesco Express and Homebase directly across from the roundabout. *rts* is in the blue and white building on the left at this roundabout.

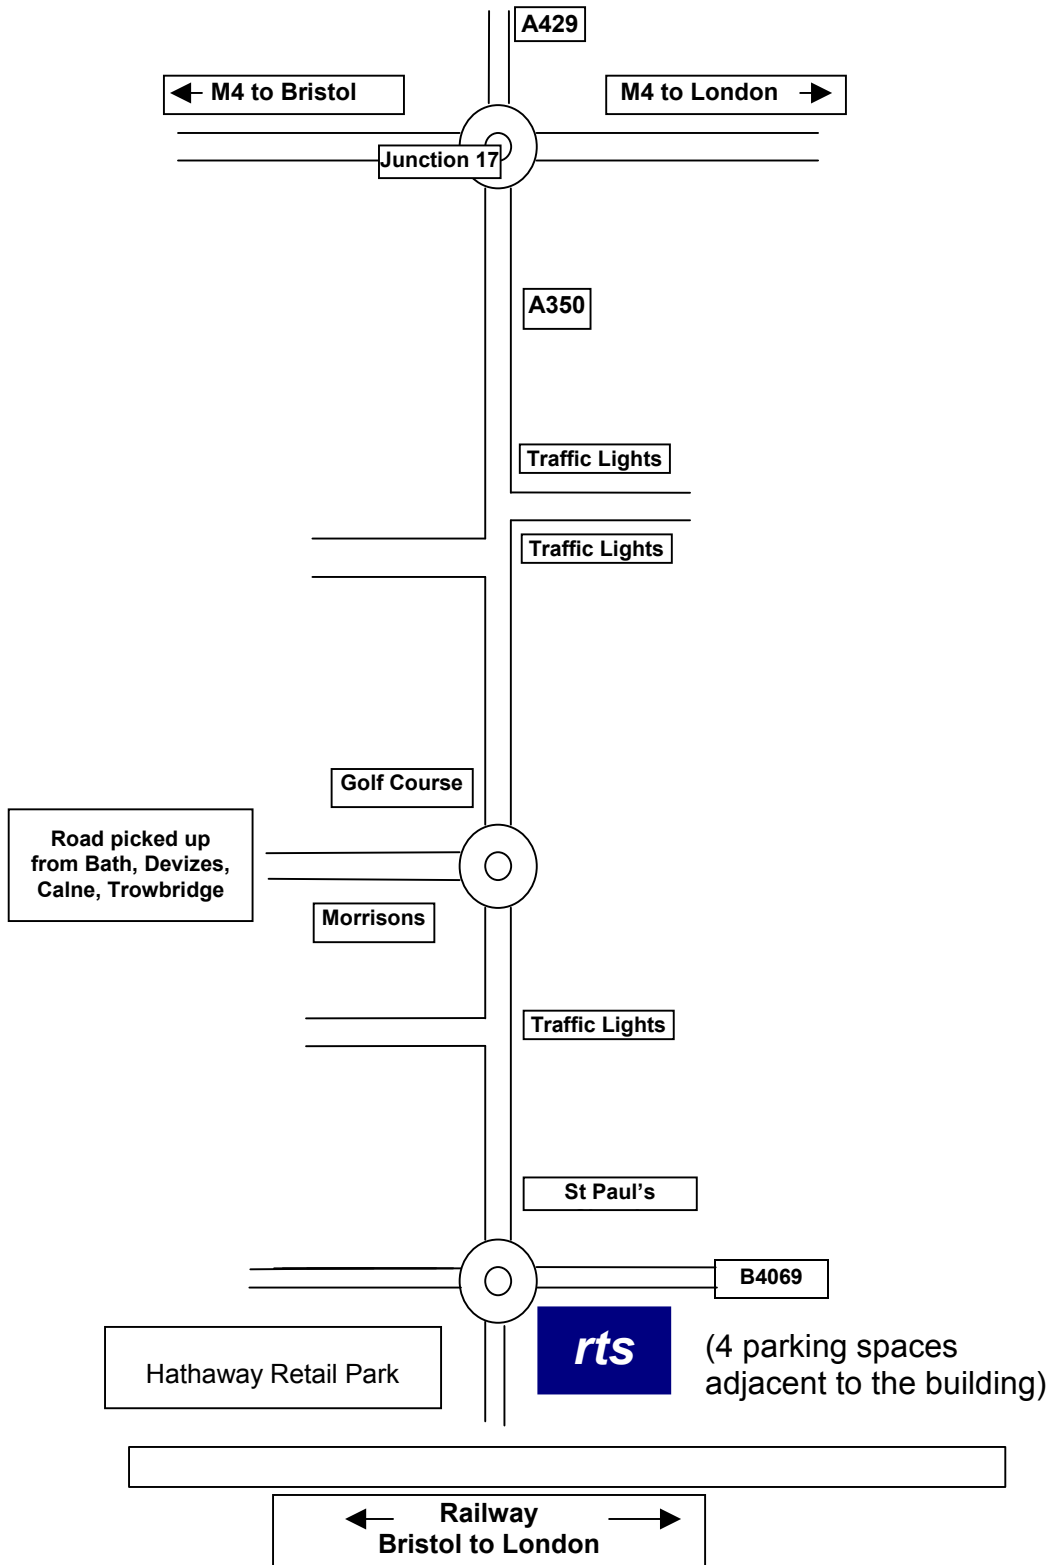

Go straight across at this roundabout. Limited parking is available directly behind the building (4 spaces). Alternatively 2 hrs parking is available in the Retail Park across the road. The entrance to the offices is via the blue door at the rear of the building and an entry intercom is located by the door.
